Tim,

Well I can't say that I miss you over  
next year because you'll be here for me, to  
talk to. Well I'm going to go and see you over  
the summer. You have really made me  
happy over this year and it just wouldn't  
have been the same. Whether your drunk or  
not I still love ya. Don't forget to say Hello  
and talk next year.

Tim - I can't say much for the  
teachers we've had together  
but it was fun having you  
in there to brighten them up  
in both Conara and Jones. Let me  
know where the parties are this  
summer. I'll see ya  
at the beach, and  
wherever.

Love and Friendship

Tim - I've known  
you for a super  
long time and you  
have always been the  
sweetest to me. This  
year I really got to know you  
down at Brims. Wasn't that fun.  
I'll never forget the beach party, when  
the cop came up and took my vodka  
away. That was so scary for  
me. Lets keep Brims  
going even know every-  
one is leaving us next  
year. They will eventually  
come back and see us.  
Have a super summer  
and keep in touch 453-6838  
Call, if any parties.

I see ya flying by in my Tube Carrera  
I can say to my Soluptuos date, "hey that  
was Tim Hoffman the Jaggy Killer."

Jimmy my 'Little' Lonely Boy,

I can't believe a whole year has gone by.  
It went so fast. I am really glad that I met  
you because you are really sweet. Too bad you didn't  
play basketball, because I would have seen you a lot  
more. I hope you play next year forVarsity for Claremont  
not mina mesa! I'll really miss you if you do!  
I hope to see you over the summer and for sure  
next year. Good luck always.

Love,

Kristee Bues

Timmy -

I will have to say that this page is quite appropriate seeing as it resembles one tropical island that you will be flying to this summer (accompanied by none other than myself!) Arent you excited? Don't forget your pineapple shirt.

We have all had alot of great times this year. (You and your parties!) I hope that we can do stuff this summer too. Don't worry: even though I am an adult now - I still look like a kid!! Keep in touch 452-9684!

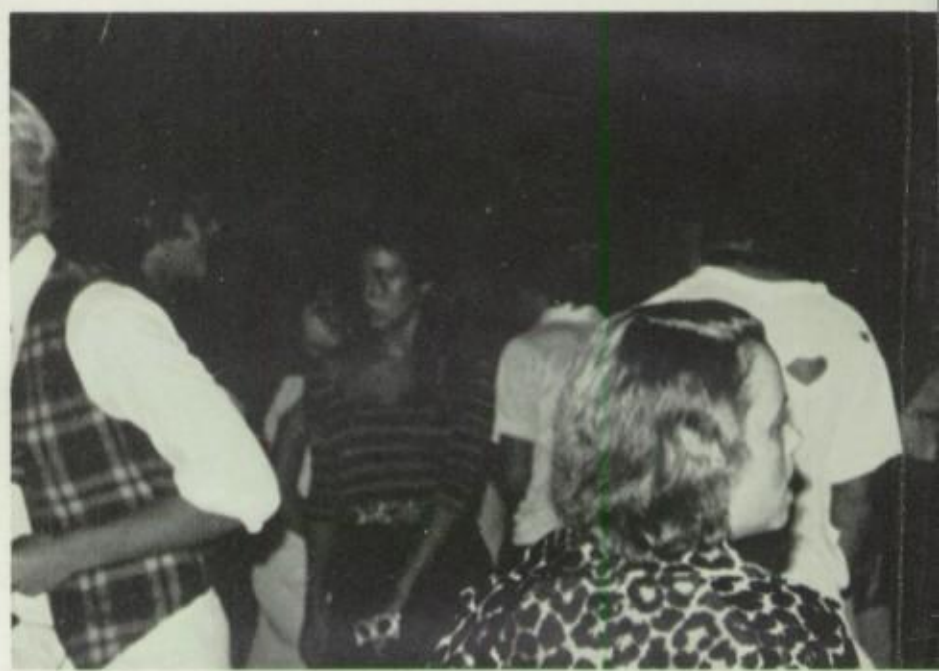

I guess I kinda owe you breakfast seeing as our plans after senior prom (Sheldon's) kind of got wrecked. Do you remember? (what party? - I know!!!).

Spirit this year at Clairemont High was sky high! This year's Spirit Week, October 22-26, was a tremendous success with Punk Rock/Disco Day the overall favorite. The four other dress up days that made up the week of fun were Hollywood Day, Tourist Day, Cowboy and Indian Day, and Orange and Blue Day. The Homecoming Dance was held in the Cotillion Room of the El Cortez Hotel. Nearly 200 couples danced to the sounds of "Eden." The room itself, lined with plush red velvet couches, imparted an atmosphere of elegance to the occasion. The ASB provided couple cards, depicting the theme "All of My Love," which were arranged on tables around the room. The student body's enthusiastic response made this year's Homecoming Dance the most successful in more than twenty years.

# Victory Is Here

The Homecoming Game for 1979 was held on October 26 at Madison High School, against the Madison Warhawks. It was a great success in more ways than one. The Chiefs defeated the Warhawks 20-12 and the expected violence between the two schools never occurred. The enthusiastic crowd kept up a continuous roar helping the Chiefs gain a victory in this exciting Homecoming Game.

Imported directly from England comes the newest fad at Clairemont High, Punk Rock. The overwhelming success of this fad can be attributed to the popularity of Punk Rock music at Clairemont. The many Punk Rock dress up days gave students a chance to dress up as their favorite Punk Rock stars.

# International Affairs

Although the International Festival was cancelled, the Foreign Language department held many activities during this year. During Christmas the language students held their own festival in the cafeteria. Many different types of foods were served and each language class provided entertainment. The foreign language students were busy throughout the year learning about the different cultures and activities of foreign lands.

# Let's Get Rowdy

Rallies at Clairemont High School were a part of the many ways the Clairemont students showed their spirit. Rallies this year were during 6th period, and most of the school took 30 minutes off their class to watch the programs put together by the Varsity cheerleaders. Included in the programs were competitions between the classes, special skits and song and dance routines performed by the cheerleaders. Rallies provided spirit, not only for every day, but also for the big Varsity Homecoming Game.

"From one reporter to another, What do you think?"

This year's musical production was Joseph Fields' and Jerome Chodorov's "Wonderful Town." It combined the talents of both the music and drama departments. The play was directed by Dana Fredsti with Mrs. Diane Curran helping out. "Wonderful Town" is about two sisters who go to New York to find jobs as an actress and a writer. The girls run into many problems, ranging from being in jail to doing the Conga with the Brazilian Navy. The superb acting and marvelous sets made "Wonderful Town" the most popular play done at Clairemont in years.

# Christmas — CHS

'Twas the week before Christmas and all  
through CHS,  
All were dressed up to prove Clairemont's  
the best.  
Everyone was waiting for  
you know who,  
The windows were decorated;  
the doors were done too.  
The cards and the canes were delivered  
on that Friday,  
Later that night everyone danced  
the night away.

# Powderpuff '79

Powder Puff football came once again to CHS bringing both intense training, and high spirits to the Junior and Senior teams. The coaches worked hard for two weeks to prepare their teams for the big day. The many spectators were treated to an exciting game of football. The Junior team managed to squeak by the Seniors with the aid of some very controversial calls. The question of who is #1 still remained to be resolved in the eyes of the Senior team.

# Yes We Do!

It seems everybody wanted to show their spirit this year, and one way to do that was to participate in the lunchtime activities organized by the ASB. Whether it was ice block sitting, apple bobbing, or car cramming everyone wanted to join in the fun. Some students showed their spirit by dressing up in costumes on dress-up days. The happy mood created by these contests and games made lunchtime a little less boring for many students.

A new kind of lunchtime activity seemed to go over well with the punkers.

Couple cards, provided by the ASB, added to the decor of blue streamers and stars. The dance was held on February 23 at the Scottish Rite Memorial Temple. The flooding of Mission Valley the week before the dance did not dampen anyone's spirits, the crowd was just as wild as it always is. There was a buffet of refreshments provided by the ASB. Take a group of interested, hard working performers, add great organization and top it off with an enthusiastic audience and you have the 1980 *TALENT SHOW!* Start off the night with two creative and imaginative masters of ceremonies, Carmel White and Casey Nicholaw and you have a show with real Pizzaz! This year's show included many new and innovative acts, from a magic show that dazzled the audience to a balancing act that could not be topped. Such talents as the Barberettes and a dance routine provided by Lori Ward rounded out the evening, leaving the audience ready to give the much deserved applause. Much credit must go to Lester Van-Cleave, the director, who put together such an entertaining show. This year's Talent Show proves once again the versatility of CHS students.

# the Nights Away

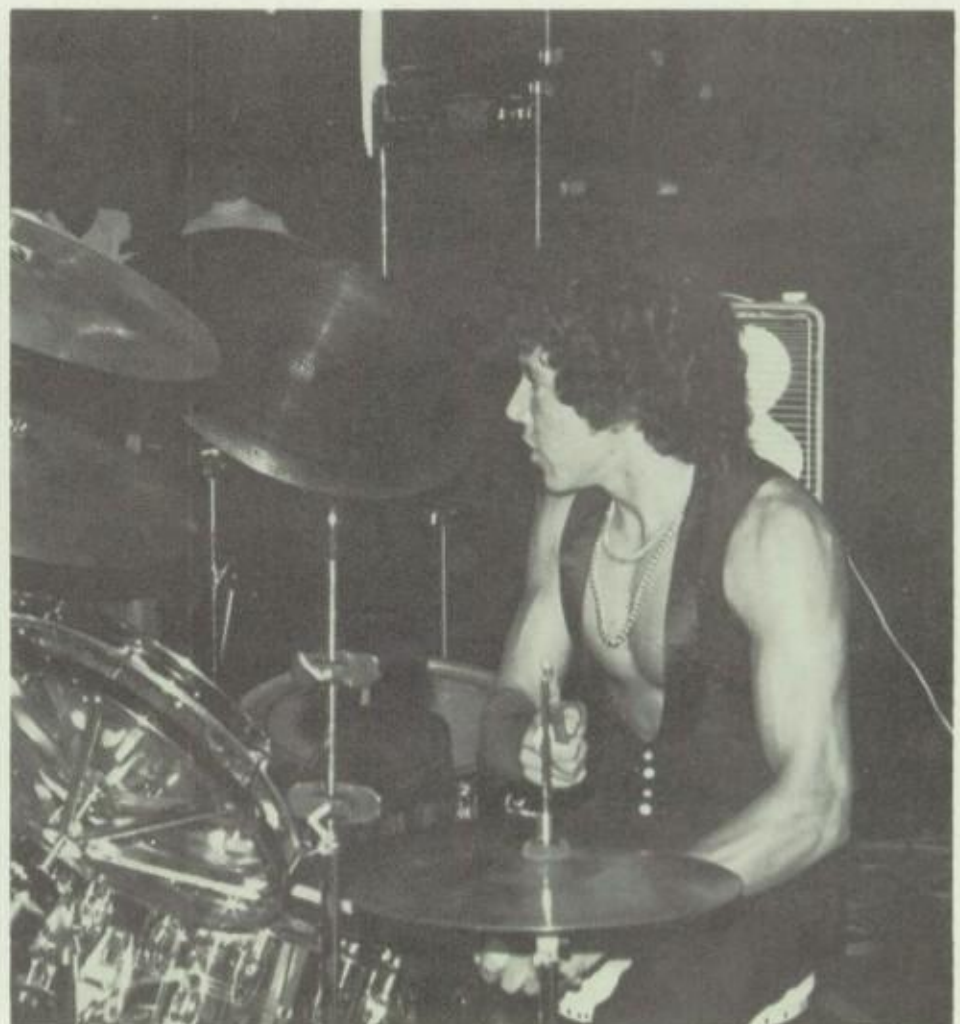

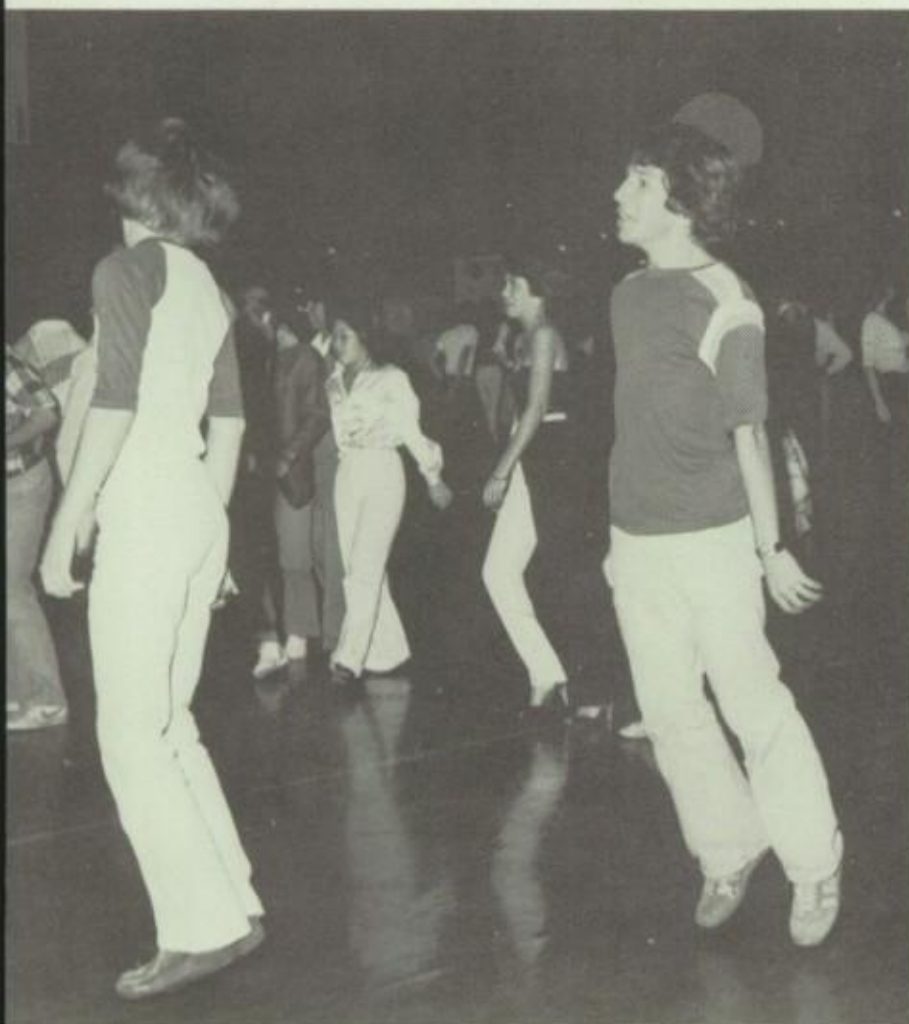

Clairemont High School is known for its monthly PTA Dances. The dances are held on a Friday night in the gym, with a live band playing various types of music. This year many students got in the spirit and dressed up for the dances. All of the dance themes, such as Punk Night, Hat Night, and Scarf Night, were thought of by the students. For some, the dances rounded off a nice evening, while for others it was just the beginning. Many thanks go to Mrs. Ruth Johnson for making these dances a success.

School would not be quite the same without the clubs and organizations provided by Clairemont High. These activities give all students a chance to excel or participate in a field which may not otherwise be offered in the regular curriculum. The range of club interests varies from singing to bowling, and each club plans unique and exciting activities for all. This year under the guidance and hard work of Kristi Olsen, new clubs were added to the long list. Also deserving credit are all the teachers and administrators who devoted their time and special talents to make the clubs what they are today, namely a big success.

# ORGANIZATIONS

## Leading the Way

A.S.B. is perhaps the most important organization on campus. Its purpose is to involve all students in the support of school activities. The difficult task of leading the way into the eighties was given to President Wendy Swart and her cabinet, a group of specially selected students.

With the guidance of Mr. Wallazz Eaton, the A.S.B. began its work early in the year. It was apparent that changes had to be made and A.S.B. aimed high to set its goals. New ideas gave way to original, exciting, and successful school activities, such as the class competitions which included sitting on ice blocks and car crams.

The social aspect of school is a necessity to withstand its academic pressures, so great importance is placed on its dances. The dances gave students the opportunity for enjoyment away from school. This year's Homecoming Dance brought the biggest gathering of students ever.

A.S.B.'s biggest concern involved the peace talks with rivals, Madison Warhawks. This meeting allowed each school to get to know each campus and its students better. This year's attempt to dissolve the longtime rivalry gives future cabinets something to work for.

As the school year ends and a new decade begins, this year's A.S.B. members have successfully fulfilled their obligations.

# Come on All You Chieftains!

To understand the true meaning of cheerleading, we must look beyond the glamour, pride and envious glances of the crowd to the dedication these nine girls have. Shannon Shuffler, as head cheerleader, had the difficult task of widespreading spirit throughout the school, not limiting it at football games. During the week of the big Homecoming game, the cheerleaders organ-

ized spirit days, dressing in certain styles. More rallies and hug painted signs were also made to captivate the students.

Many long days and nights of practicing, cheering and brainstorming new ideas, proved to Clairemont that this year's cheerleaders have what it takes to promote SPIRIT!

# True to Orange and Blue

Behind the great shouts and cheers come the Chieftains' J.V. Cheerleaders. These eight specially selected girls kept spirits high as they cheered on their teams. Although they were unable to attend the cheerleading camp during the summer, they managed to make it through the year with some help from the Varsity Cheerleaders.

"For my first year of cheerleading, it was super fun and I am looking forward to possibly becoming a varsity cheerleader in the near future", commented Monica Kavanagh.

All in all, the J.V. Cheerleaders did a fine job in remaining true to the mighty orange and blue.

## Cheering Them On!!

With sharp orange and blue outfits, smiles and cheers, the girls on this year's Wrestlets showed true dedication.

True spirit was shown by the Wrestlets. Never missing a single match, the Wrestlets sat on the edge of the mat and

cheered the Wrestlers on. But cheering was not the only thing that the Wrestlets did, fund raisers took up much of their time. Helping with programs was another of the many tasks.

# Spirit Comes Alive

When the half-time whistle blew, it signaled the Drill Team Squad to begin their performance, and every Chieftainette stood smiling, poised yet nervous as she concentrated on each step. The early morning and after-school practices, not to mention the headaches from learning new routines, were all forgotten as they set out to capture the approval of the crowd.

Being a Chieftainette not only meant performances at school, but also in parades and competitions throughout Southern California. This club needed hard-working, dedicated and spirited

girls to perform with excellence and precision; if time was found from work, recreational activities outside of school were sought.

This organization not only worked to entertain a crowd, but gave every girl the opportunity to learn something of herself. She gained the experience and knowledge of military commands as well as muscular coordination. However, her most valuable lesson was to learn to get along with others and to promote the true Chieftain spirit as a team.

# Listen to the Sound

The Marching and Pep Bands displayed musical excellence as they captured the ear of Clairemont's students. Their objective was to entertain the waiting crowds in the grandstands during football halftimes. "Another Opening, Another Show", "When I Was Sixty-four", "Ease on Down the Road", were a few tunes played to promote Chieftan spirit. Their musical ability was tested at the annual Mother Goose Parade and at the Old Town Christmas Parade where they won third place.

The Pep Band was a volunteer group of musicians from the Marching Band to perform at the games away from school. This band helped build spirit for the Chieftan team.

This year's bands displayed a wonderful selection of rousing music and good marching, and Mr. Ed Marquez must be honored for his fine leadership.

The Jazz Band is an enterprising group of young musicians who play all facets of jazz music. Although this field of music is demanding, Clairemont's musicians plan to continue with their jazz after graduation.

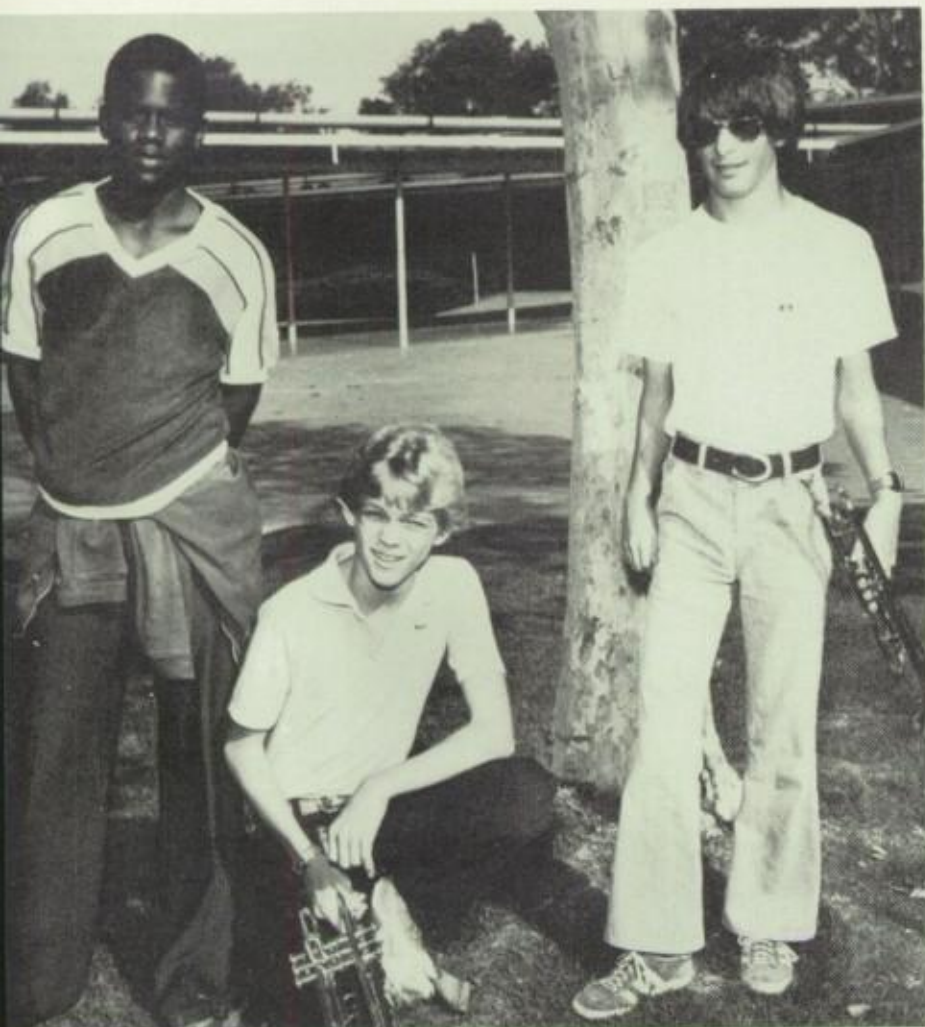

Under the leadership of Mr. Ed Marquez and Mr. James Young, the band has gained further knowledge of jazz and what it meant to its creators. They learned about its history and how it originated. The band was also encouraged to read and listen to the most prominent names in jazz.

Clairemont's band is divided into four sections: saxes, trumpets, trombones, and rhythm. The leader of a section has a tremendous responsibility when he teaches his technique and tonal quality to the others.

The Jazz Band demonstrated its fine qualities when it played at concerts and school musicals. To extend their musical talents, the band has performed in jazz festivals at Magic Mountain, Chaffey, Long Beach and many more.

To become a band member takes hours of practice and hard work, but the students are looking for a sense of fulfillment and accomplishment through their music.

# Keeping Us in Tune

Through hard dedication and practice, the Concert Band had a very successful year. With the talented guidance of Mr. Ed Marquez, the Concert Band did an excellent job in the Christmas Concert. In March, they also attended a concert at Marston Jr. High where they performed before the student body.

Though the practices were hard, many members felt it was all worth the effort as they grew, learned and improved their musical talents throughout the entire year.

# Scale the Heights Note by Note

Girls' Ensemble is an organization for Clairemont's female singers. To become a member, one must have potential interest in the field of music. The club's members have been chosen far in advance; tryouts began last spring. Mr. Gilliland, along with his student teacher, Miss Kathy Cobb, has taught these girls many valuable lessons. They gained not only experience, poise, and knowledge of choreography, but also the loss of stage fright. By singing to large audiences at other schools, meetings and shopping centers, the girls were able to overcome the fear of crowds, performing with musical excellence.

**CHORAL CLUB:** FRONT ROW Left to right — Chrysanne Lowe, Lori Ward, Beth Shingler. BACK ROW — Danny Vik, Sidney Salinas, Jill Ownbey, Kathy Hannash.

## Making Beautiful Music Together

The Madrigals are a group of boys and girls who share and enjoy a common interest — music. The wide range of music they sing extends from classical to pop. Under the direction of Mr. John Gilliland, the Madrigals have learned to perfect their singing ability and also acquire a talent for choreographic movements.

The Madrigals captivated a thrilled audience at this year's winter concert in the Clairemont Auditorium. In addition to performances at Clairemont, the singers appeared at women's clubs, festival concerts and other schools. This group of talented students has enjoyed a year of singing, dancing and fun. But to experience the delights this class can offer, one had to be dedicated to put forth special effort in accomplishing a successful year of entertainment.

# T O G e t t h e

This year was an exciting one for the ARROW staff. Our bi-monthly efforts covered everything from rock concerts and sporting events to school sponsored dances and student profiles. We were the voice of Clairemont High School. When you wanted to find out what fellow classmates thought and did, you read the ARROW's comments.

It was nice being able to bring you our view of the Clairemont social scene. My staff and I enjoyed writing for you. As we seniors leave, the ARROW is left to continue in its tradition of informing and entertaining the student body. Most of you will agree with me, high school is an adventure. The role of the high school newspaper is to capture the expression of our adventures. I'd like to think we accomplished that this year.

## Standing Above the Crowd.

When students receive their yearbooks many take for granted all the hard work and patience taken to create such a book. But the 6th period class of room 107 is one group of students who understand the headaches of making an annual. This year C.H.S. is very lucky to have such a fine yearbook staff. Though all but a few of these students were new, most quickly learned ways to create interesting copy, layouts with style and take exciting pictures of events that shaped this year. Though room 107 was sometimes full of tension and even hostility, there were also the good times. When the deadline was behind us and all could relax and enjoy the peaceful interlude. Both editors are proud of the fine quality of their staff.

# Live From Clairemont . . .

... it's the Drama Club! Kappa Delta Sigma was Clairemont's honorary organization for members with a sincere interest in drama. Though their main function was to produce the school shows, time was found for social gatherings, which meant seeing performances by both professional and student actors outside of school.

The Drama Club met during lunch in room 501 under the supervision of Mrs. Diane Curran. Members were very involved on stage and off in preparing the three major productions: "Wonderful Town," "Hay Fever," and "The Good Doctor." A screen test was not necessary for membership; anyone with stage fever was welcome to join.

## Behind the Scenes

Stagecraft was organized for the many enthusiastic students who build the sets for all the school drama productions. This class met every Tuesday, Thursday and Friday during 6th period to learn the skills needed for good design and stage construction.

Under the guidance of Mr. Bruce Hay, every set of each play showed the worthy efforts and artistic skills of a group of students known as "The Stage Crew."

## It Takes a Woman

Tandas is a large organization of girls that works together to serve both the school and community. Tandas came to realize that by giving a little of their time and effort to others, they, in return, received personal satisfaction.

Their first priority has always been to help the less fortunate. The joint efforts of every Tanda have been gratefully appreciated by this year's adopted family. The needy family was provided with food, clothes, and toys during three special holidays throughout the year. To support the club's expenditures, fund raisers were organized monthly. Such events as selling candy, football programs, participating in carwashes and modeling in a fashion show, provided the necessary funds.

With the help of Mrs. Dreher, the sponsor, Tandas have once again proven that it takes a woman to get the job done.

The ROP Nurse's Aide program gave many interested students the opportunity to obtain experience and skills in the field of medicine. This course can initiate eager students to further a career or just be helpful if ever an emergency should arise.

This program is a two-hour a day, Monday through Friday class. These students began the course in the classroom for six weeks, learning basic nursing skills like bathing, bedding, blood pressure, temperature, pulse, respiration transfer and even ambulation.

The actual experiences came in April, when the student nurses were assigned to the Acute Hospital at the Cabrillo Medical Center in Point Loma. Here the students worked on the orthopedic, medical and surgical floors. Before long they rotated to the emergency room, lab, x-ray, new-born nursery, delivery room, and respiratory and physical therapy.

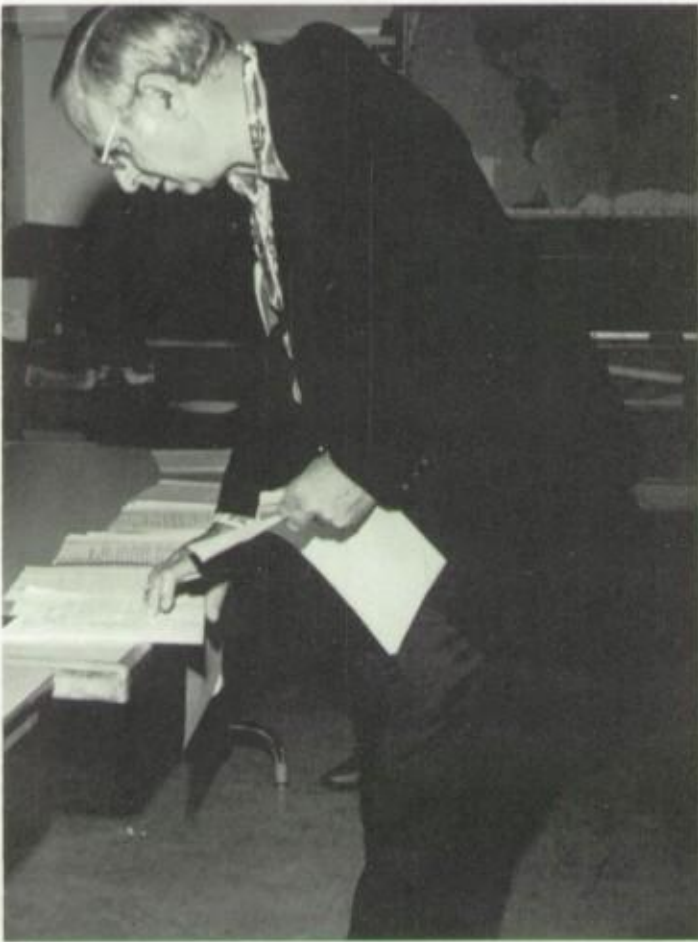

Many members of this worthwhile program were employed by nursing homes long before the completion of the course. With the dedication these students have, we can expect experienced, skillful and excellent nurses, doctors, or even paramedics to ease our aches and pains in the future.

The United Nations Club is a group of students formed to study the conditions and foreign policies of different nations. The United Nations Club participated in many outings, such as a trip to SDSU. To acknowledge the students who have achieved a required grade point average, the California Scholarship Federation (C.S.F.) was formed in their honor. This organization is exclusive in the respect of rewarding only the hard working and dedicated students who have earned their membership.

C.S.F. not only recognizes a student's academic accomplishments in high school, but is beneficial for the future. The organization can provide scholarships for college and, written on a school transcript, can make admittance to college less difficult.

ESAA (Emergency School Aids Act) is an integration program guided by Mr. Ed Marquez. The students within ESAA are concerned with the segregation problem, helping students overcome educational disadvantages and discrimination. ESAA has visited other schools to share and to receive ideas on how to help with these problems. One of the main events for ESAA was attending and working with the Race/Human Relations Committee.

Getting off to a slow start, the Key Club turned out to have been a huge success. The all guys club sponsored by the Kiwanis Club was busy with many services. The biggest was the Pancake Breakfast in February. Guided by Mr. Wallazz

Eaton, the club members showed great enthusiasm and dedication. This year was the first for the Key Club and many more great years are expected to follow.

# Hitting the Slopes

For being one of the newest clubs, the Ski Club turned out to have one of the largest number of participants. Under the guidance of Mr. Dave Keiner, the club had many fund raisers. The largest and most successful was the M & M sale. For a quick snack, Munchie Madness seemed to do the trick. The Ski Club sold an assortment of goodies.

A short ski trip to Snow Summit was planned, but unfortunately had to be cancelled because of the weather conditions.

Their trip to Mammoth in March, was four terrific days of skiing. Sixty people attended the trip to Mammoth. Daryl and

Joan were there as chaperones.

Skiing has been one of the most popular winter sports, and there was no doubt that Clairemont High wanted to get in on some of the action. With such a wide interest in the Ski Club, there is no doubt that the Ski Club will be around for a long time.

# Action in the Alleys

For several years, the Clairemont Bowl has been the meeting place for all interested students. This club has always had a large number of participants, which was quite understandable for it welcomed anyone from all grades.

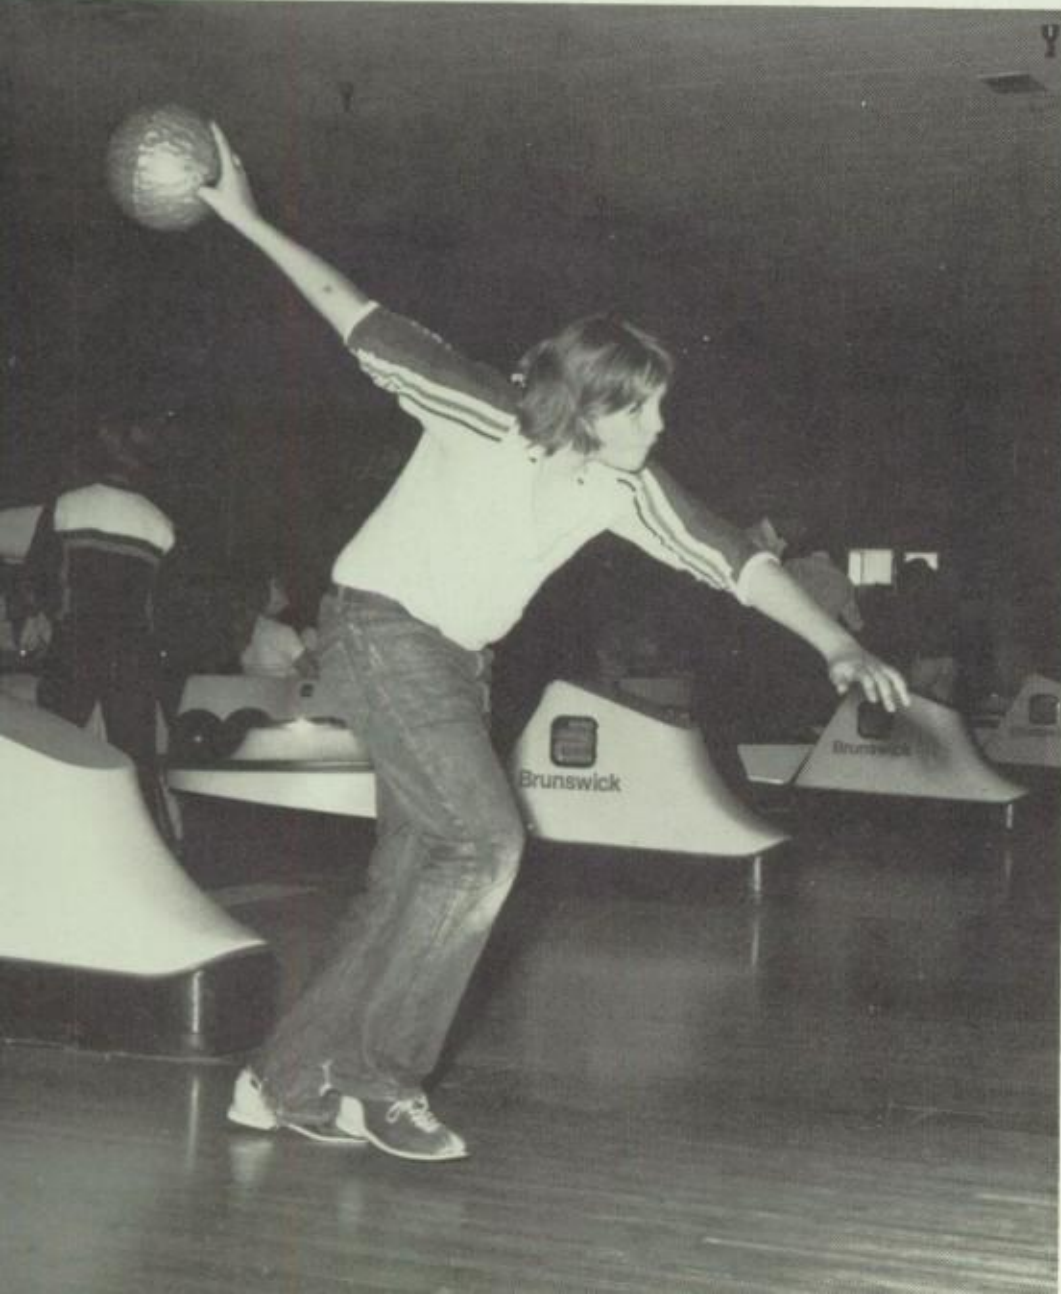

The bowlers organized ten teams, competing with one another each week. Honorable mentions must be made to Pablo Mendoza, who won the city championship last year, to

Leslie Lutes, with a season high of 669 and to Steve Greenfield with his score of 709.

The Bowling Club maintained its popularity once again as an exciting and very enjoyable organization. Special thanks to Mr. York, the league's sponsor, for giving the opportunity to all students to make new friends by sharing a common interest — bowling.

The ability to compete, and surpass oneself is the backbone of Clairmont's sports. The teamwork that we have shared, the physical awareness that has led us to victory, and the ambition that has made us go forward are what makes sports at C.H.S. a victory for all.

# SPORTS

# Ain't No Stoppin

Clairemont's offense was led by Bill McClinton and Doug Fess, (both selected to the Eastern League team) who teamed up for most of the Chiefs' points. The team's offense was there but in some of its games it sputtered. It had good showings against Crawford, 28-0 and Madison, 20-12. The team's offensive line did a great job protecting the quarterback Bill McClinton. It included Mike Brock, Pat Bridge, Jim Dossett, Phil Ganoë, Pernell Henson, and Chris Prell.

# Us Now

The Chieftain football team advanced to the first round of the playoffs due to the hungry, quick, and aggressive defense. Two of the five Chief victories came against league powerhouses Kearny 7-6 and Madison 20-12 in the homecoming game.

There were many key players such as Dino Wilder, who was selected to the all CIF team, and Mike Clements and Bob Cassidy who made 2nd team.

## J.V. Also Has Fine Season

Just as with Varsity, the J.V. football squad enjoyed an excellent 1979 season.

After compiling a 6-2-1 record, coach Ernie Beck commented, "This was the best season Varsity and J.V. Football have had since 1975."

The team's excellent defense carried them throughout the year. Such players, as Mike Wilder, Steve Thu and Damon Gascon, helped hold opponents to only an average of 5 points per game. "Not only was our defense great," added the Coach, "but our offense averaged 14 points per game."

With many of these J.V. players moving up to Varsity, we can expect the Chieftains to have another successful year.

# Service With A Smile

To have a good team in any sport usually takes a blend of experience and talent.

The Chieftain volleyball team certainly wasn't short on talent but "inexperience was definitely the strongest weakness on this year's team", revealed Varsity Coach Pam Allor. Marta DeShazo and Laura Tu'ua were the only returning players.

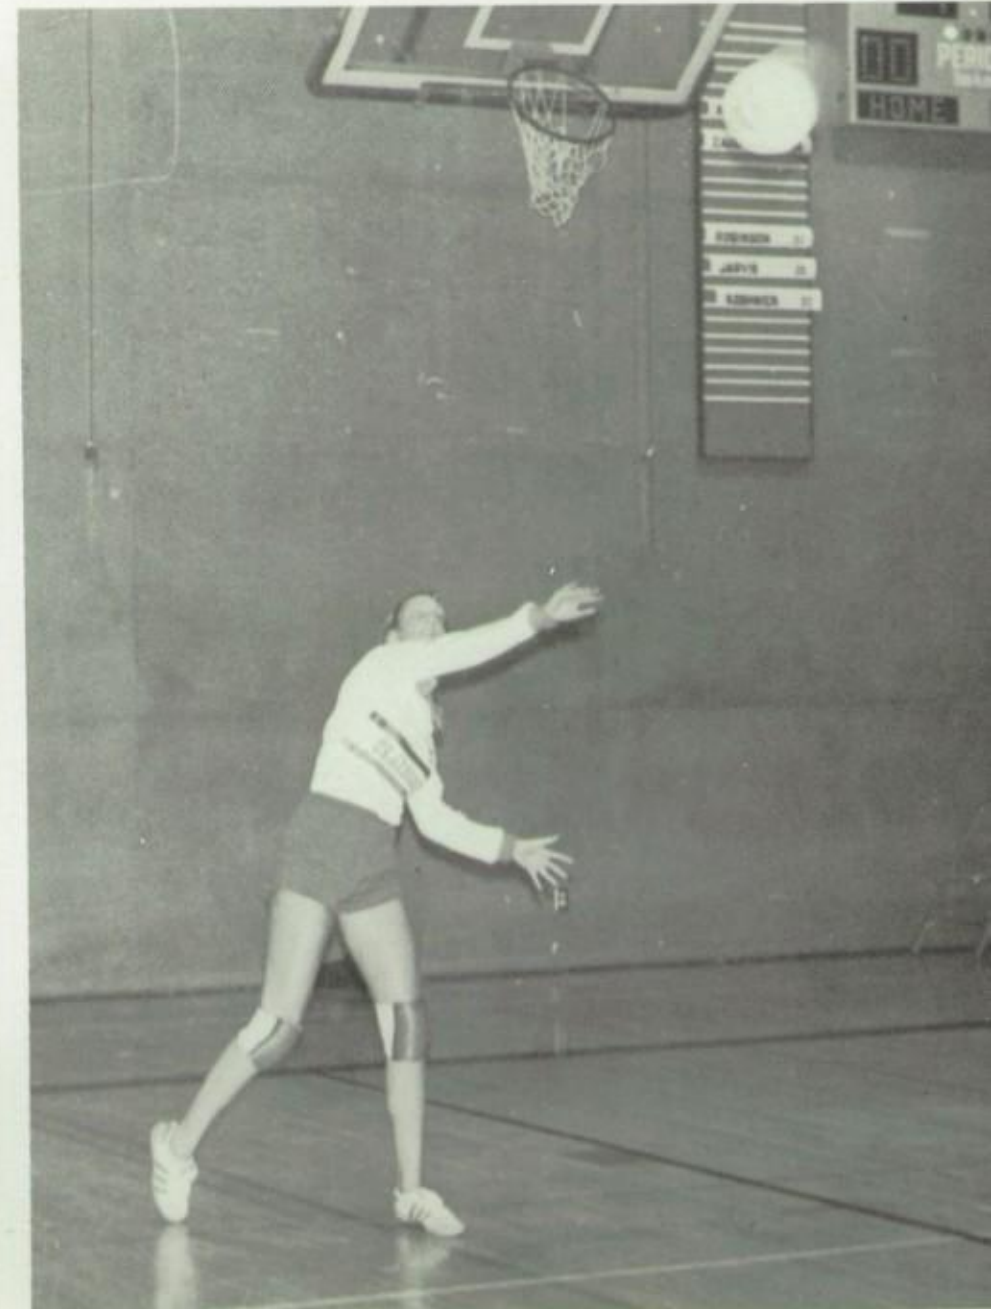

Ms. Allor added, "this year's squad was close to being the best ever. There was 100% cooperation and effort in every practice and game."

With many juniors on the team returning, the varsity can look forward to an even better year next year.

# Badminton Goes Co-Ed

For a new sport, the co-ed badminton team did not get much publicity this year although they deserved it.

Winning 7 out of 12 matches, the Chiefs were led by brothers, Lam, Joe, and Peter Nguyen. Other top players on the team were Shelly Koshnick, JoAnn Young, Jim Jones and Kiki Mazis.

In the tough Eastern League, the Chiefs placed fourth and have high hopes of doing better next season.

Clairemont defeated Madison, Kearny, and San Diego twice while losing to Henry, Point Loma and Mira Mesa twice. They also defeated Morse.

# Cross Country Team Works Hard

The Chieftain cross country team had a lot of spirit this year, but struggled in the tough Eastern League.

Top runners on the team were CIF finalist Ross Ferguson, Peter Kobrak and Jayne Balsiger.

"Our team has worked awfully hard," smiled Coach Russ Cravens . . . "Most of my people ran between 400 and 1000 miles during the summer. They maintained their top condition by running 4-15 miles each day right now."

Unlike other sports, preparations are left up to the individual in cross country. "No one was watching them to see if they did their required work over the summer," commented Coach Cravens.

**VARSITY BOYS:** ROW 1 — Greg Grigsby, Kevin Ricard, Lance Cox. ROW 2 — Steve Mulkern, Bob Boyer, Ross Ferguson, Marshall Verano.

## Game, Set, Match!!

As usual, the Clairemont High School Girls Tennis team had a fine year thanks to the many excellent players on the squad.

Team members such as Louise Hermelin, Nadine Akimoto and Suzi Izuno. Louise was one of the top single players in the city.

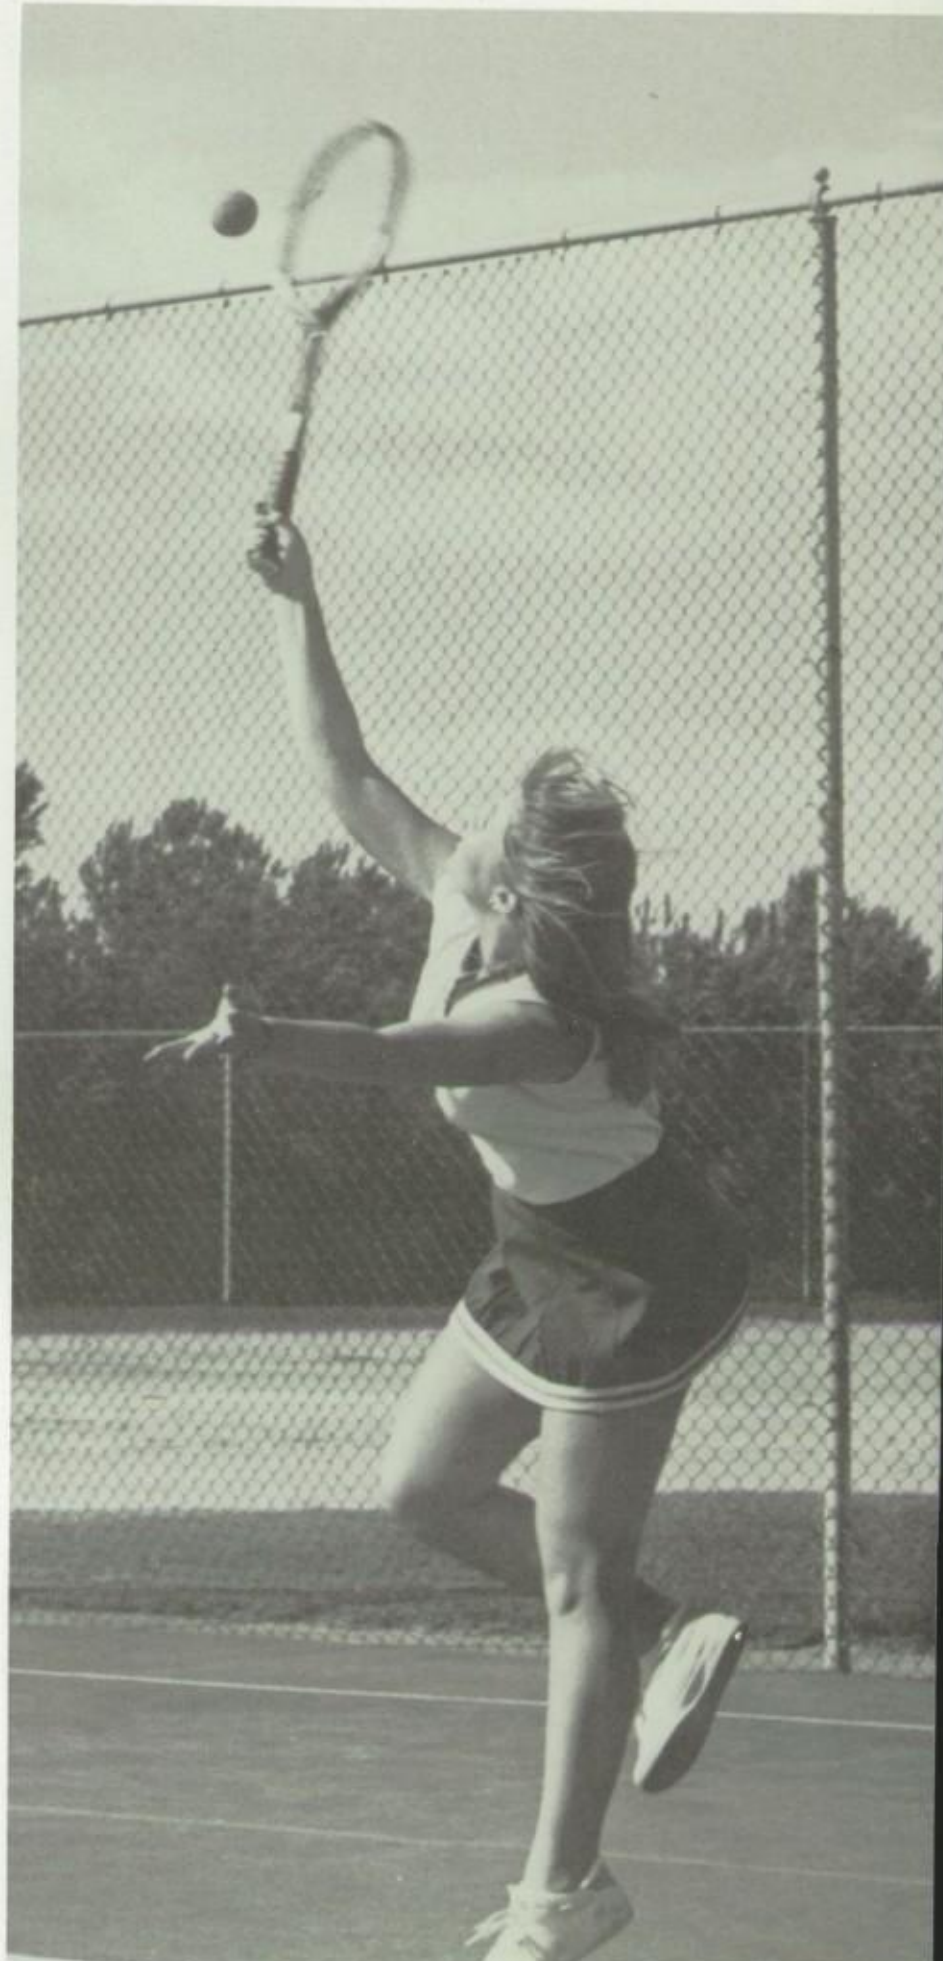

With many sophomores and juniors returning next year, the team should be as strong, or even stronger than this year's squad.

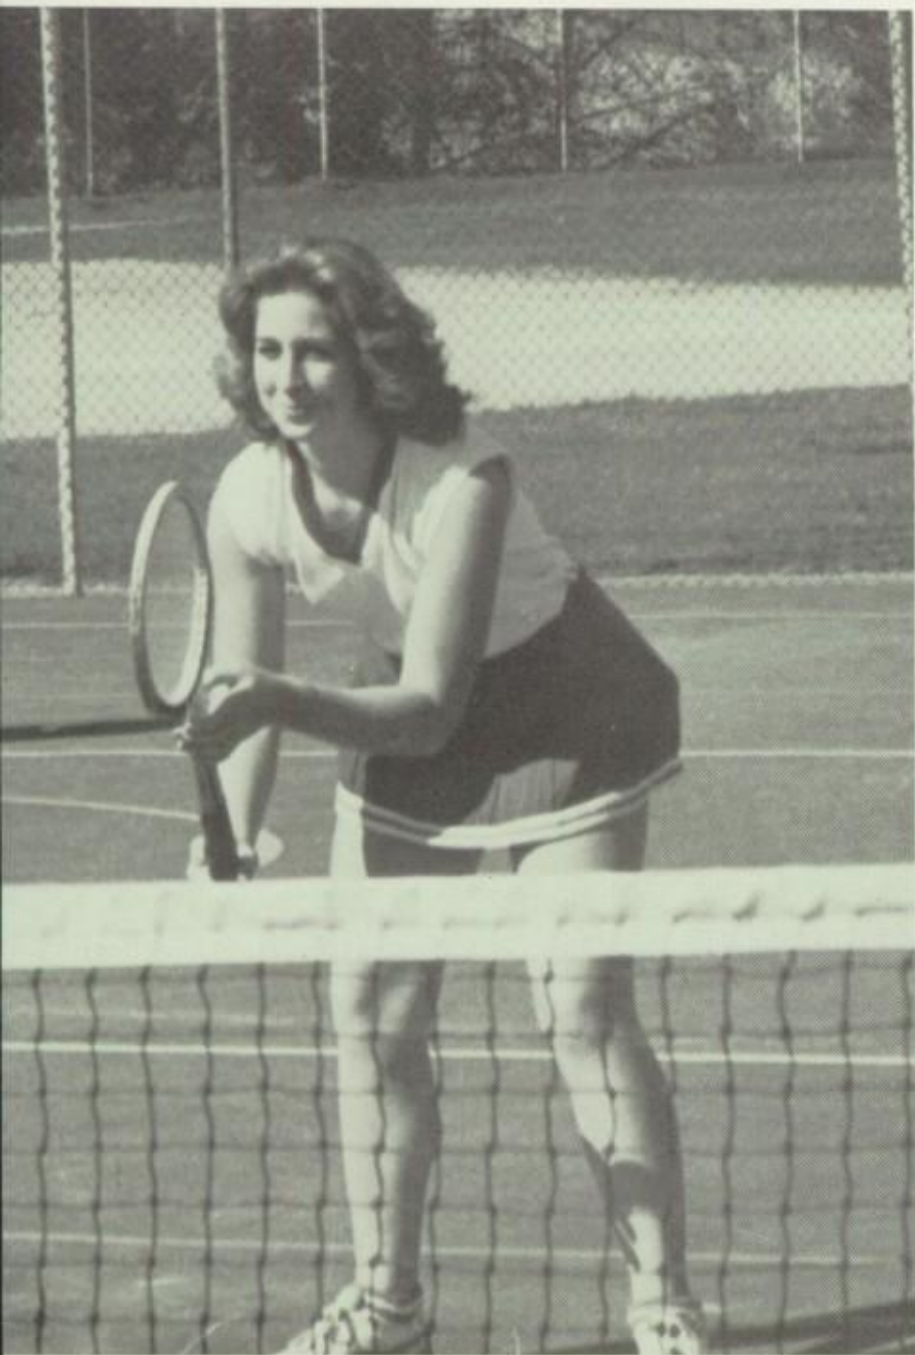

THE GIRLS TENNIS TEAM: FRONT ROW — Sylvia Chauves, Sheila Lord, Rachel Karliner, Denise Stevens, Julie Ong, Jeanie Cleary. 2nd ROW — Christa Jarvis, Ardine Bendett, Heather Ulen, Susie Izuno, Jackie Munevar, Kelly Farley. # Varsity Swim Team Finishes 2nd

The girls swim team came up with the short end of the stick in a great season, which ended 4-1, their only loss coming against Mira Mesa which was the league champion.

The team had many top swimmers, Kim Grady, Karen Sandeno, Lori Ulen, and Lora King.

Grady has swum in 3 CIF finals and Sandeno 2. The team is hoping that next year they can take the league championship.

# Wet Year for Waterpolo

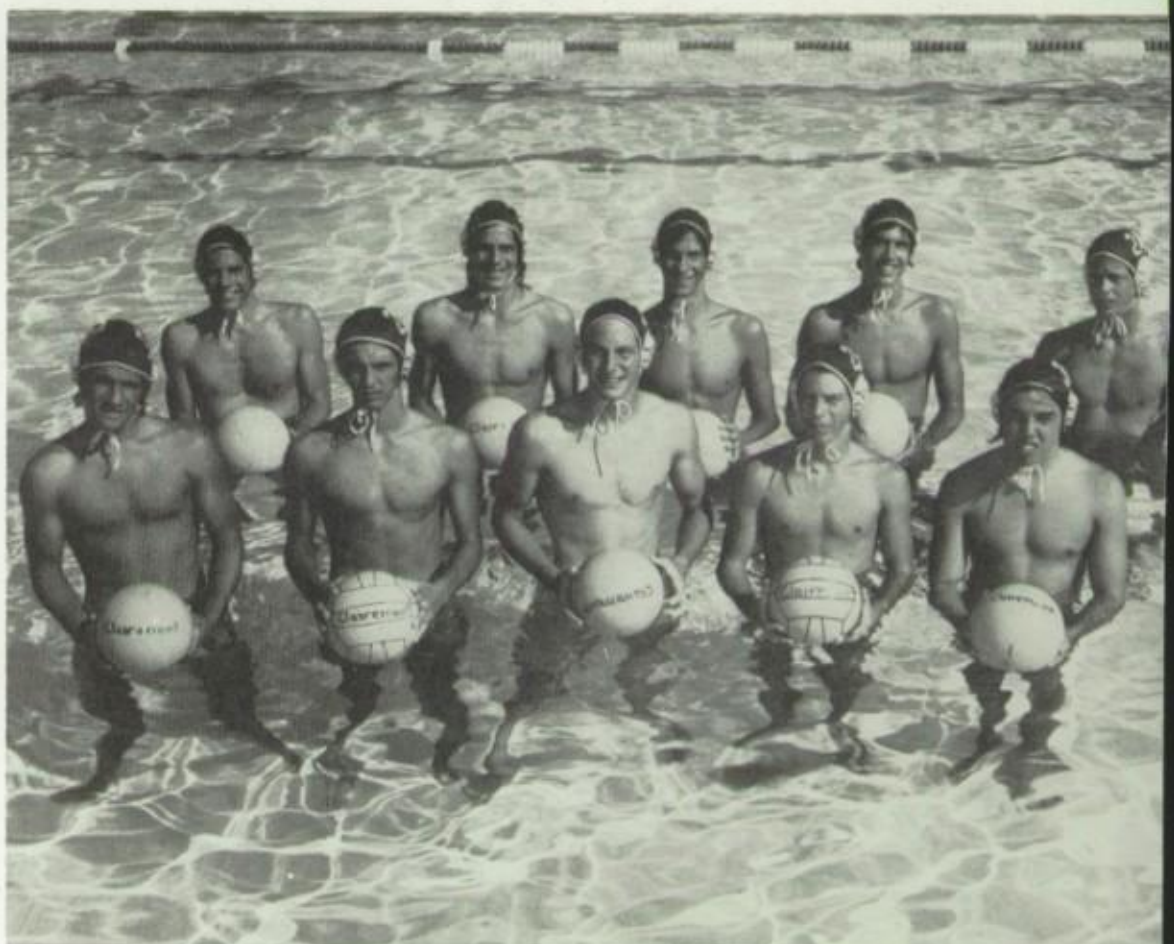

The Chieftain Water Polo team had outstanding players but more was needed to win in the tough Eastern League play. The team mostly lacked experience but they had enthusiasm. There were some bright spots with Steve Rauch being elected to the All CIF Eastern League season.

## Making It Through the Season

They gave it all they had, but the Eastern League was a little too tough for the 1979-1980 Chieftain basketball team.

The Chiefs were the youngest team in the city with only three seniors, three juniors and three sophomores playing. Hopefully next year will be a lot better with many underclassmen returning to Varsity.

## A Good Contender

With a fairly young team, Coach Jim Mottershaw had his work cut out. But the Girls' Basketball Team was full of surprises. These girls showed plenty of skill and talent. "No really tall players was one of the things that the team lacked," stated senior Dalece Maxwell. But all in all they had a fine year, and next year should be even better.

# Pin Your Man!

Led by Duane Sobotka, the Chieftain Wrestling team had many good performances, but wins were hard to come by in the Eastern League competition. Sobotka finished the season as the top Chieftain wrestler with a 13-1 record.

Because of their inexperience, the Varsity team's biggest weakness was inconsistency. There was nothing lacking however in the effort put out by all of these young wrestlers.

The Junior Varsity team was also young yet talented. Most members plan to be back next year for Varsity.

BACK ROW — Coach Laurie Soldaña, Leslie Baldwin, Jennifer Krowning, Kathleen Brooks, Stacy Smith, Karen Costello, Mary Hissong, Karen Wolfe, Rhonda Peacock, Kim Hyde, Coach Angela Ludy.

With a great defense and offense, the Field Hockey Team should have been a contender for the league title. And yet luck seemed bad for the 1980 team. With returning players Stacy Smith, Wendy Swart, Mary Hissong, and Katie Flanagan the team had great skill and ability. With the fine training the first year members received, next year's team has a good chance for the title.

# Chieftain Swingers

Rain may have dampened the golf course, but not the spirits of this year's golf team. Led by Coach Jim Inoye, the golf team practiced every Tuesday and Thursday at the Torrey Pines Golf Course.

The Varsity Golf Team, composed mainly of seniors, showed good promise. Outstanding players such as third year players Pat Bridge and Tom Ventimiglia helped the team place well through their experience. JV players also added to the excitement on the course and next year's Varsity should do equally well.

Being on the golf team requires good aiming, precision and great concentration, but for team members the work was worth it. Making a hole in one became the daily ritual of the Chieftain Golf Team.

# The Gonzo Boys Show Promise

The Clairemont Soccer team, led by new coach Don Ward and featuring star players Marco Ortiz, Steve Beason and Rocco Agosto, took on all challengers and played their way to fourth place in the tough Eastern League.

# Softball Hits It Off

With new coach Steve Miner, the girls softball team finished a very respectable third in the Eastern League.

Led by top players Debbie Watson, Leslie King, Cheri Garcia, Missy Ihrig and Katie Murphy, the Chiefs missed the playoffs by two games.

With players such as Dino Wilder, Tony Johnson, Gary Whaley and Doug Fess, the Chiefs were a tough team to contend with. Under the direction of coaches Art Anderson, Russ Cravens and Don Ward, this team was strong in all areas. Though the heavy rains may have dampened the track, the runners were in top form, many of whom practiced on their own time.

With all the returning athletes next year's team should be even stronger.

# Swimmers Make a Big Splash!

Swimming may seem like an easy sport to many of us, but to the CHS Swim Team, hard work and dedication became a routine. Under the direction of Coach Dennis Musial, the swimmers learned the four basic strokes, butterfly, backstroke, breaststroke, and free style. The home of our swim team was the Clairemont Pool where many hours of practice went into bettering their times.

The team had an array of new promising and old established swimmers. Leading the team were seniors Kan Richardson and Todd Shaffer.

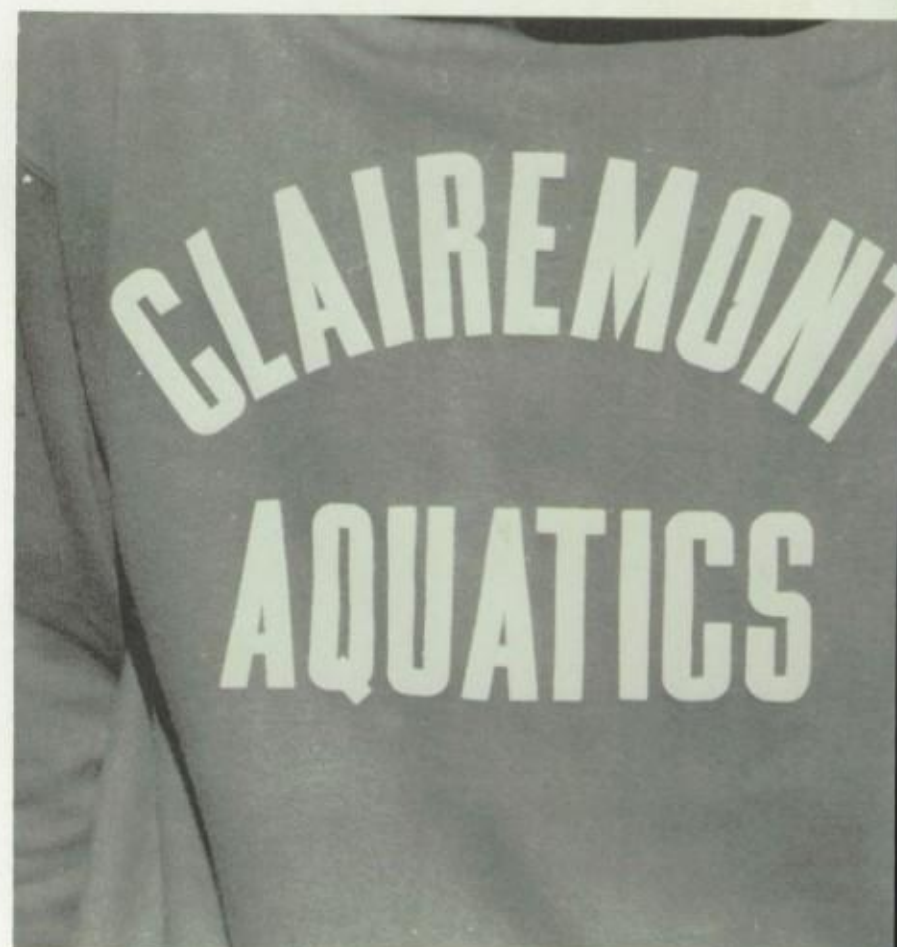

Besides knowing how to swim, the swimmers must also have the right equipment such as plenty of conditioner, creme and most important of all, A BLOWDRYER.

## Another Fine Season

With the popularity of tennis on the rise, stiff competition exists. This was no exception for the Chieftain Tennis Team. With top players Ed Bachelder, Tim Huie, Nick Ashby and a long list of others, it seemed like the team could go nowhere except to the top.

To many of us, high school is supposed to be the best time of our lives . . . dances, friends, and rallies. But high school is more than that. It is also a time to gain new knowledge, skills and experience, not just from classes and homework, but rather from the teachers and administrators themselves. Their guidance and knowledge took us closer to the goals of the future.

There were, of course, times when we looked to the faculty as a burden, but we can be sure there was a purpose behind their efforts. They helped us make the right decisions and they helped us find ourselves. Through another year of fine service, the staff of Clairemont High can be proud of their fine work.

# Leaving C.H.S., Heading Toward Our Future

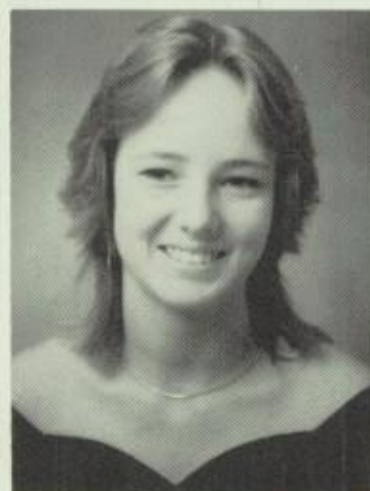

High school days are over! Are we joyous, or sad? Perhaps a little of both. Joyous in the fact that we are young and have a lifetime in front of us. Not knowing what is around the corner just adds to the mystery of life. Sad in that we have passed through twelve years of friendships and learning. Many of our good friends shall drift from our minds, to remain as nothing but memories.

For many of us we shall be parting with the familiar, in order to obtain a goal within ourselves. Be it college, trade school, working or travel. Yet, no matter where it takes us we each have a common factor . . . Members of the Clairemont High School class of 1980!

### SENIOR CLASS OFFICERS

Harmony. A relationship that few organizations can say they have experienced. Our 1979-1980 Senior Class Officers can rightfully say they have been an active participant in the practice of harmony.

Throughout the school year, spending many extra outside hours getting together fundraisers, such as Christmas ornaments and carnation sales, brings the members closer together.

There are many rewards in being an involved member — seeing the Homecoming float win first place, Grad Night, and Prom are just a few of the rewards.

The 1979-1980 Officers were definitely a well informed group of outgoing students devoted to better serving the Senior Class.

The Juniors and Sophomores at C.H.S. play a big part in Clairemont's functions. With their boundless energy they show true spirit in all the activities. And, in open competition with the Seniors, they displayed their unity as a group. No P.T.A. dances would be the same without the antics displayed by the underclass. And, as they look forward to next year, with all its challenges, they can look forward to sharing more good times with their friends and classmates. The future at C.H.S. looks very bright indeed with this fine group of students.

## Confident About the Future.

JUNIOR CLASS OFFICERS: Left to right — TREASURER: Sharron Krell, PRESIDENT: Julie Hoyt, VICE PRESIDENT: Missy Ihrig. NOT SHOWN — SECRETARY: Jacqueline Meeks, PUBLICITY/HISTORIAN: Lisa LaBre.

Though the group was formed late in the year the Junior Class Officers took it upon themselves to have many big projects that would benefit both the school and the Jr. class. Their first big project was selling heart shaped suckers for Valentine's day. Selling over 500, they made a big profit. Another event was the Jr. boat dance, open to all grades. This group did an outstanding job, and as the juniors look toward their senior year, they can feel confident knowing that they have the funds to succeed.

Julie Hoyt gets a message from the "Hot Line."

Officers discuss their plans for a Jr. boat dance.

Vice President Missy Ihrig works on a project for Valentine's day.

Tim,

Oh gee, I found a blank page. I don't know how to start except with the only question ever in my mind: "What's going on, and when will it end?" Right now all I can say is Thanks for the many happy times you've given me and the memories which will forever linger in my heart. You know you are a special person to me and I care for you more than I'm able to express. I also know you have constant doubts which now can disappear, for I will say that I believe everything you've ever said in sincerity. We have had some good times you know, at the lake, steak & champagne, watching boats at the bay (w/ B.S.), sitting in 7-11 parking lot, watching HBO ("THE BROOD"), and a very special Saturday not so long ago. You are also my very own personalized psychiatrist and I don't know what I'd do without your counseling. ~~Boy~~ do I have many many problems! But I have true faith that they will soon leave me never to return. Thank you for putting up with my many faults. I also know honestly that my diamond is on the way, but take your time OK? I have forever to wait - no rush. Good luck in everything you do throughout your life - don't hurt yourself playing basketball. OK? ~~I~~ I just read this over and it sounds kind of strange. There is **SECRETS** 300 OK's right? No but seriously, I hope you know by now you are a special, special guy. Everything will work out and NOTHING is your fault. Now taking those few things in ~~your~~ ~~your~~ thought, please look for us to have a fantastic summer and an excellent future. Love always Christine

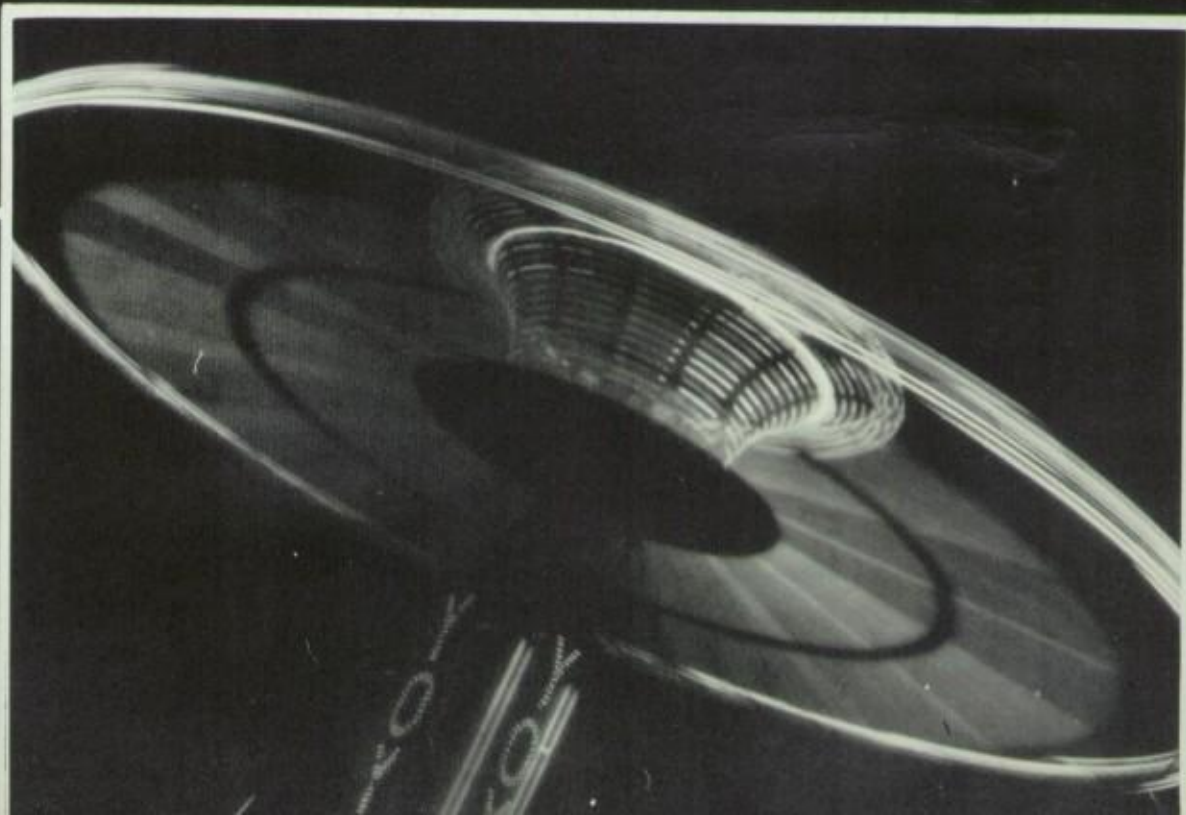

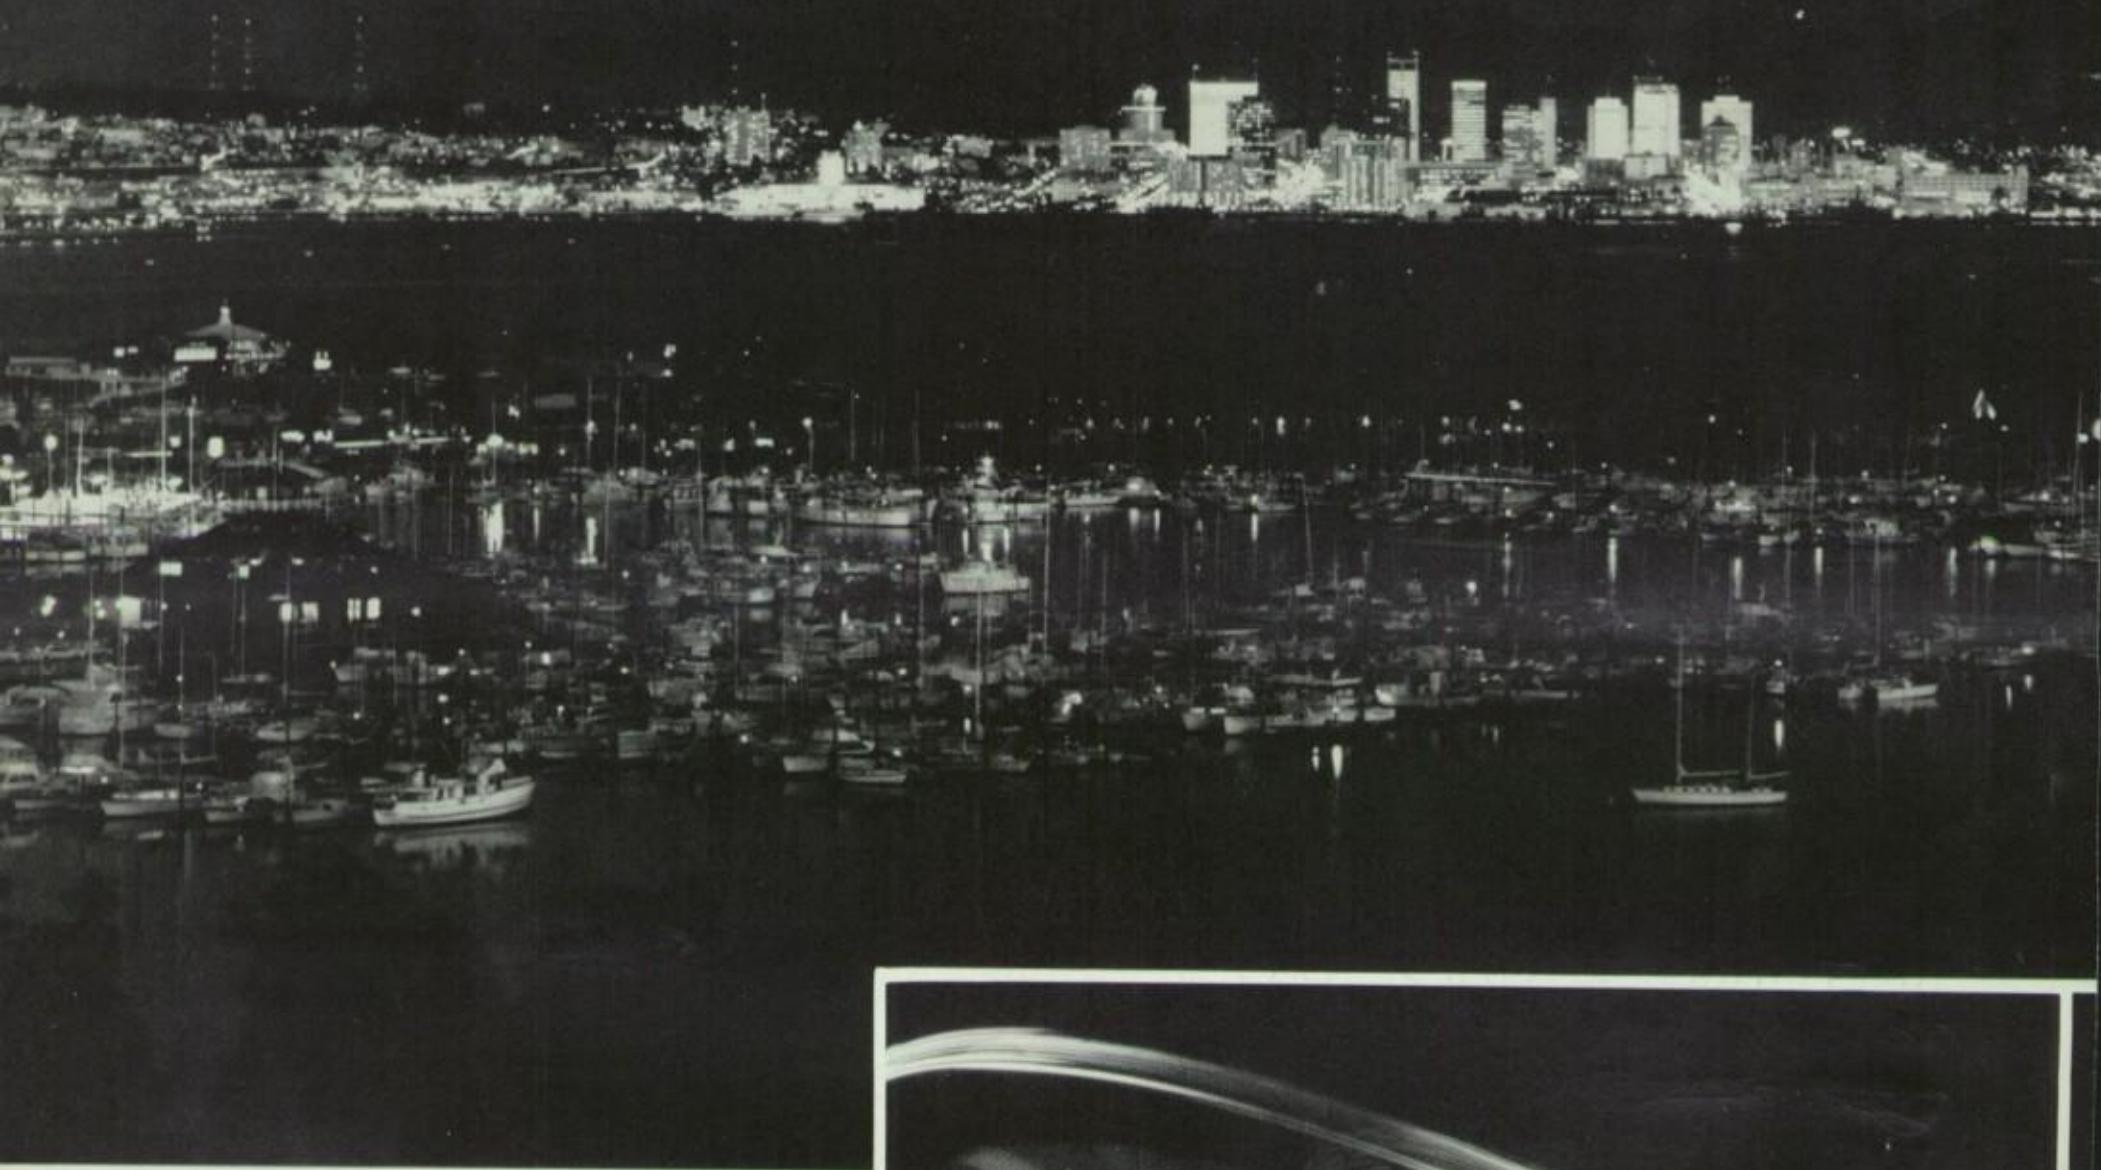

Secrets are very easy to let out, to someone you are very much about.

They seem so ridiculous, but each tiny little secret means a lot to the person who told it.

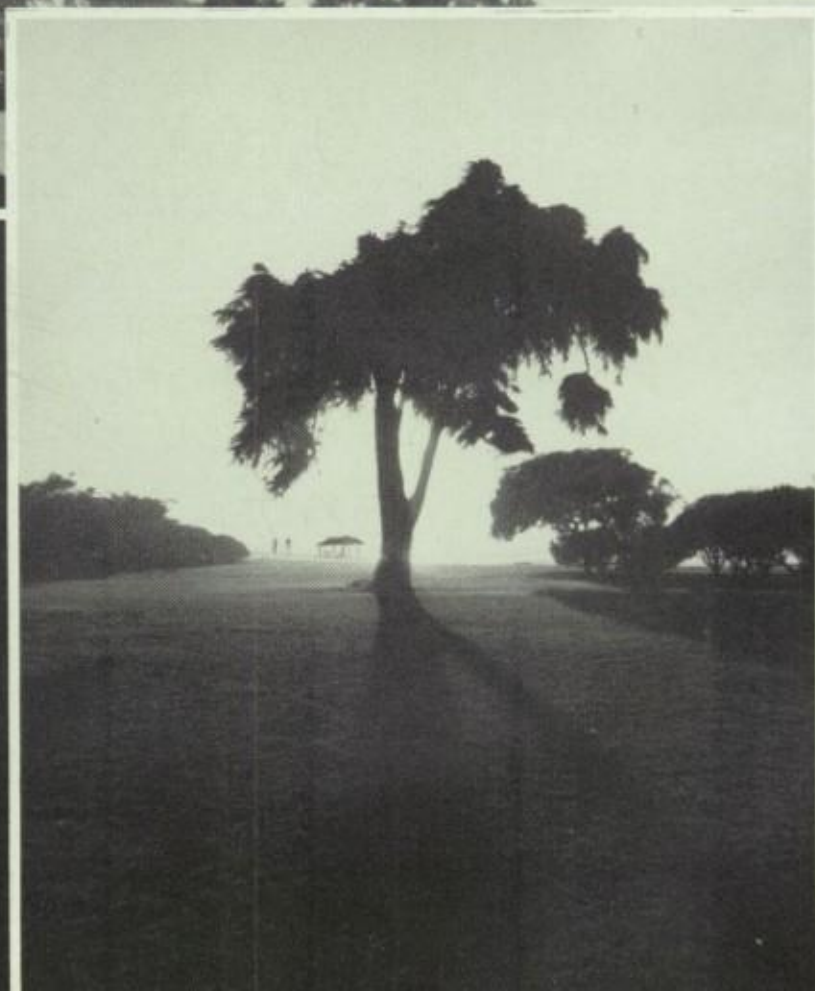

There is one ocean, with coves  
having many names;  
A single sea of atmosphere,  
with no coves at all;

A thin miracle of soil, alive and giving life; a last planet; and there is no spare.

Telling the seniors who's number 1.

Takes a hot snap from the center.

What good blockers, we have!

Wendy Werner takes a dance down the sideline.

Leslie King looks for running room.

Katy Murphy rests after taking a long fast and hard run.

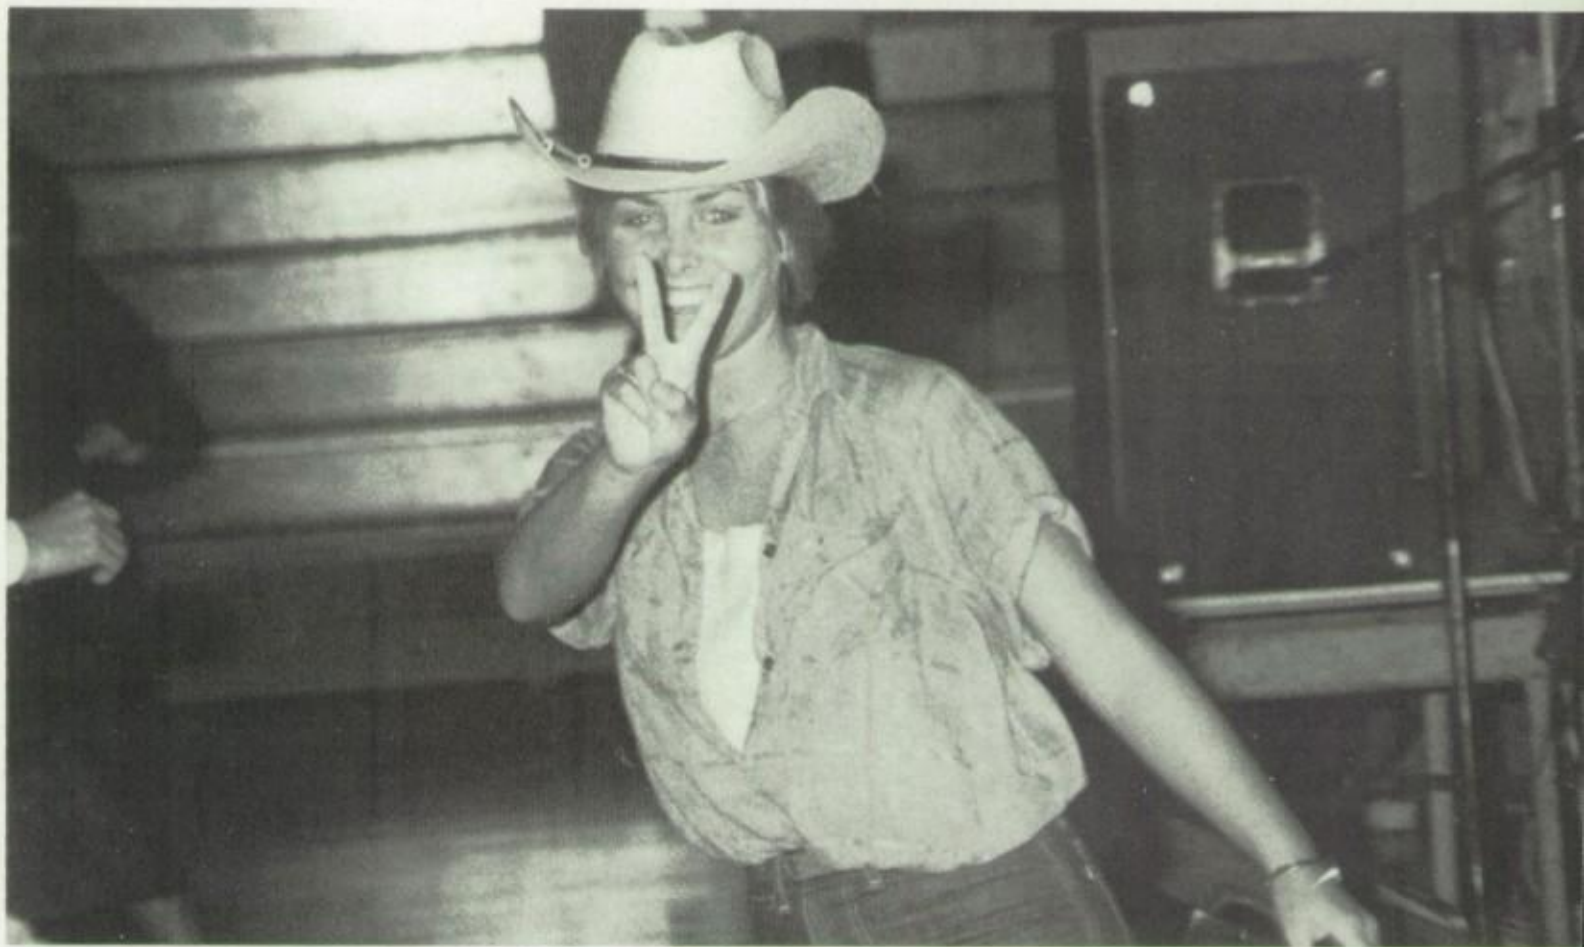

Examining the way to go.

What great form she has.

Here are the great coaches that put the number 1 team together.

Oh, Good Memories Seem

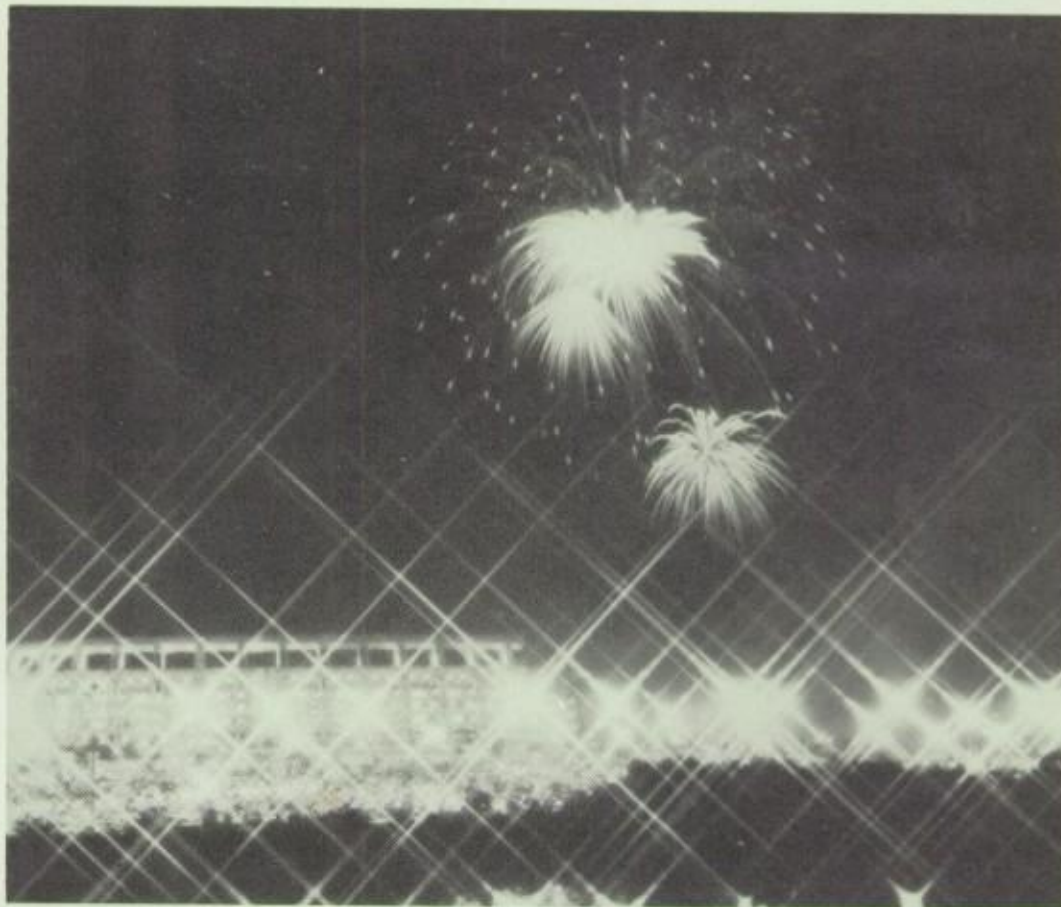

Timothy H.,  
 I'm glad we got  
 to be friends this year,  
 it's been great in the  
 SOMF Patrol! It's  
 too bad that most every-  
 one's leaving but the  
 SOMF Patrol must go  
 ON!

Very special thanks to the photographers

effort in helping us produce this yearbook.  
"You guys are such sweethearts!"

Jim,

you & Russell  
are the very strangest  
pair I've ever seen.  
What a basketball pro  
maybe next year you  
should try out for  
the team (you right?)  
Have a great summer.  
You're a very sweet  
guy. Love Lisa L

Love Mary Buckholz

Tim Hoffman  
Well Tim that Toga Party  
was a Joke but it was  
fun. You were so bombed  
I thought you were going  
to pass out. You drank  
that whole keg by yourself  
Well have fun next year  
at Clairemont & keep  
throwin those parties  
There Killer. See ya around  
Your Friend  
Bill  
Constantine

Tim,  
Definitely have  
to get in another  
English class with the  
Classic (gang) next year  
Party on this summer!  
Jim McHally

Howdy Tim,  
you sure had some ringers in  
Jones's class during the year. You  
should've been there more often and  
really shook him up. See at the  
beach parties this summer. Have fun  
in the future. Later

Don  
Richardson  
class of '80

Tim—  
You know MG's rule, but I still  
think you ought to sell yours  
and buy an other one like  
a '70 (or worse). This summer  
is going to be a good one, with  
Plenty of Parties so I'm sure  
I'll see you around until  
then Good-bye and good-luck.  
But above all have fun!  
Steve Dingsdale

Tim—  
You and your clan were  
pretty crazy in Mrs. Martin's  
class. But all in all the class  
was fun. I never laughed so  
hard with some of the jokes you  
guys said in class. Well have  
a good summer. And maybe if  
we're in a class together next  
year I'll help you pass! (Jokes)  
See ya, bye  
Your friend, Margie

Tim,  
Well another year is gone  
I can't believe it. We've been  
friends for two years now.  
And it really has been nice.  
What are you gonna do  
now that all the seniors  
are leaving. I'm sure  
I'll see ya at parties  
later this summer or  
at the beach. So I'm  
sure this isn't good-bye.  
Take care and Good-luck  
in whatever you do. You're  
a special friend that I'll  
never forget. Don't party  
too heavy at the A.T.L. tamer  
this year O.K.

Love always

Kathy

P.S. Stop by whenever you're  
in the neighborhood.

Tim -

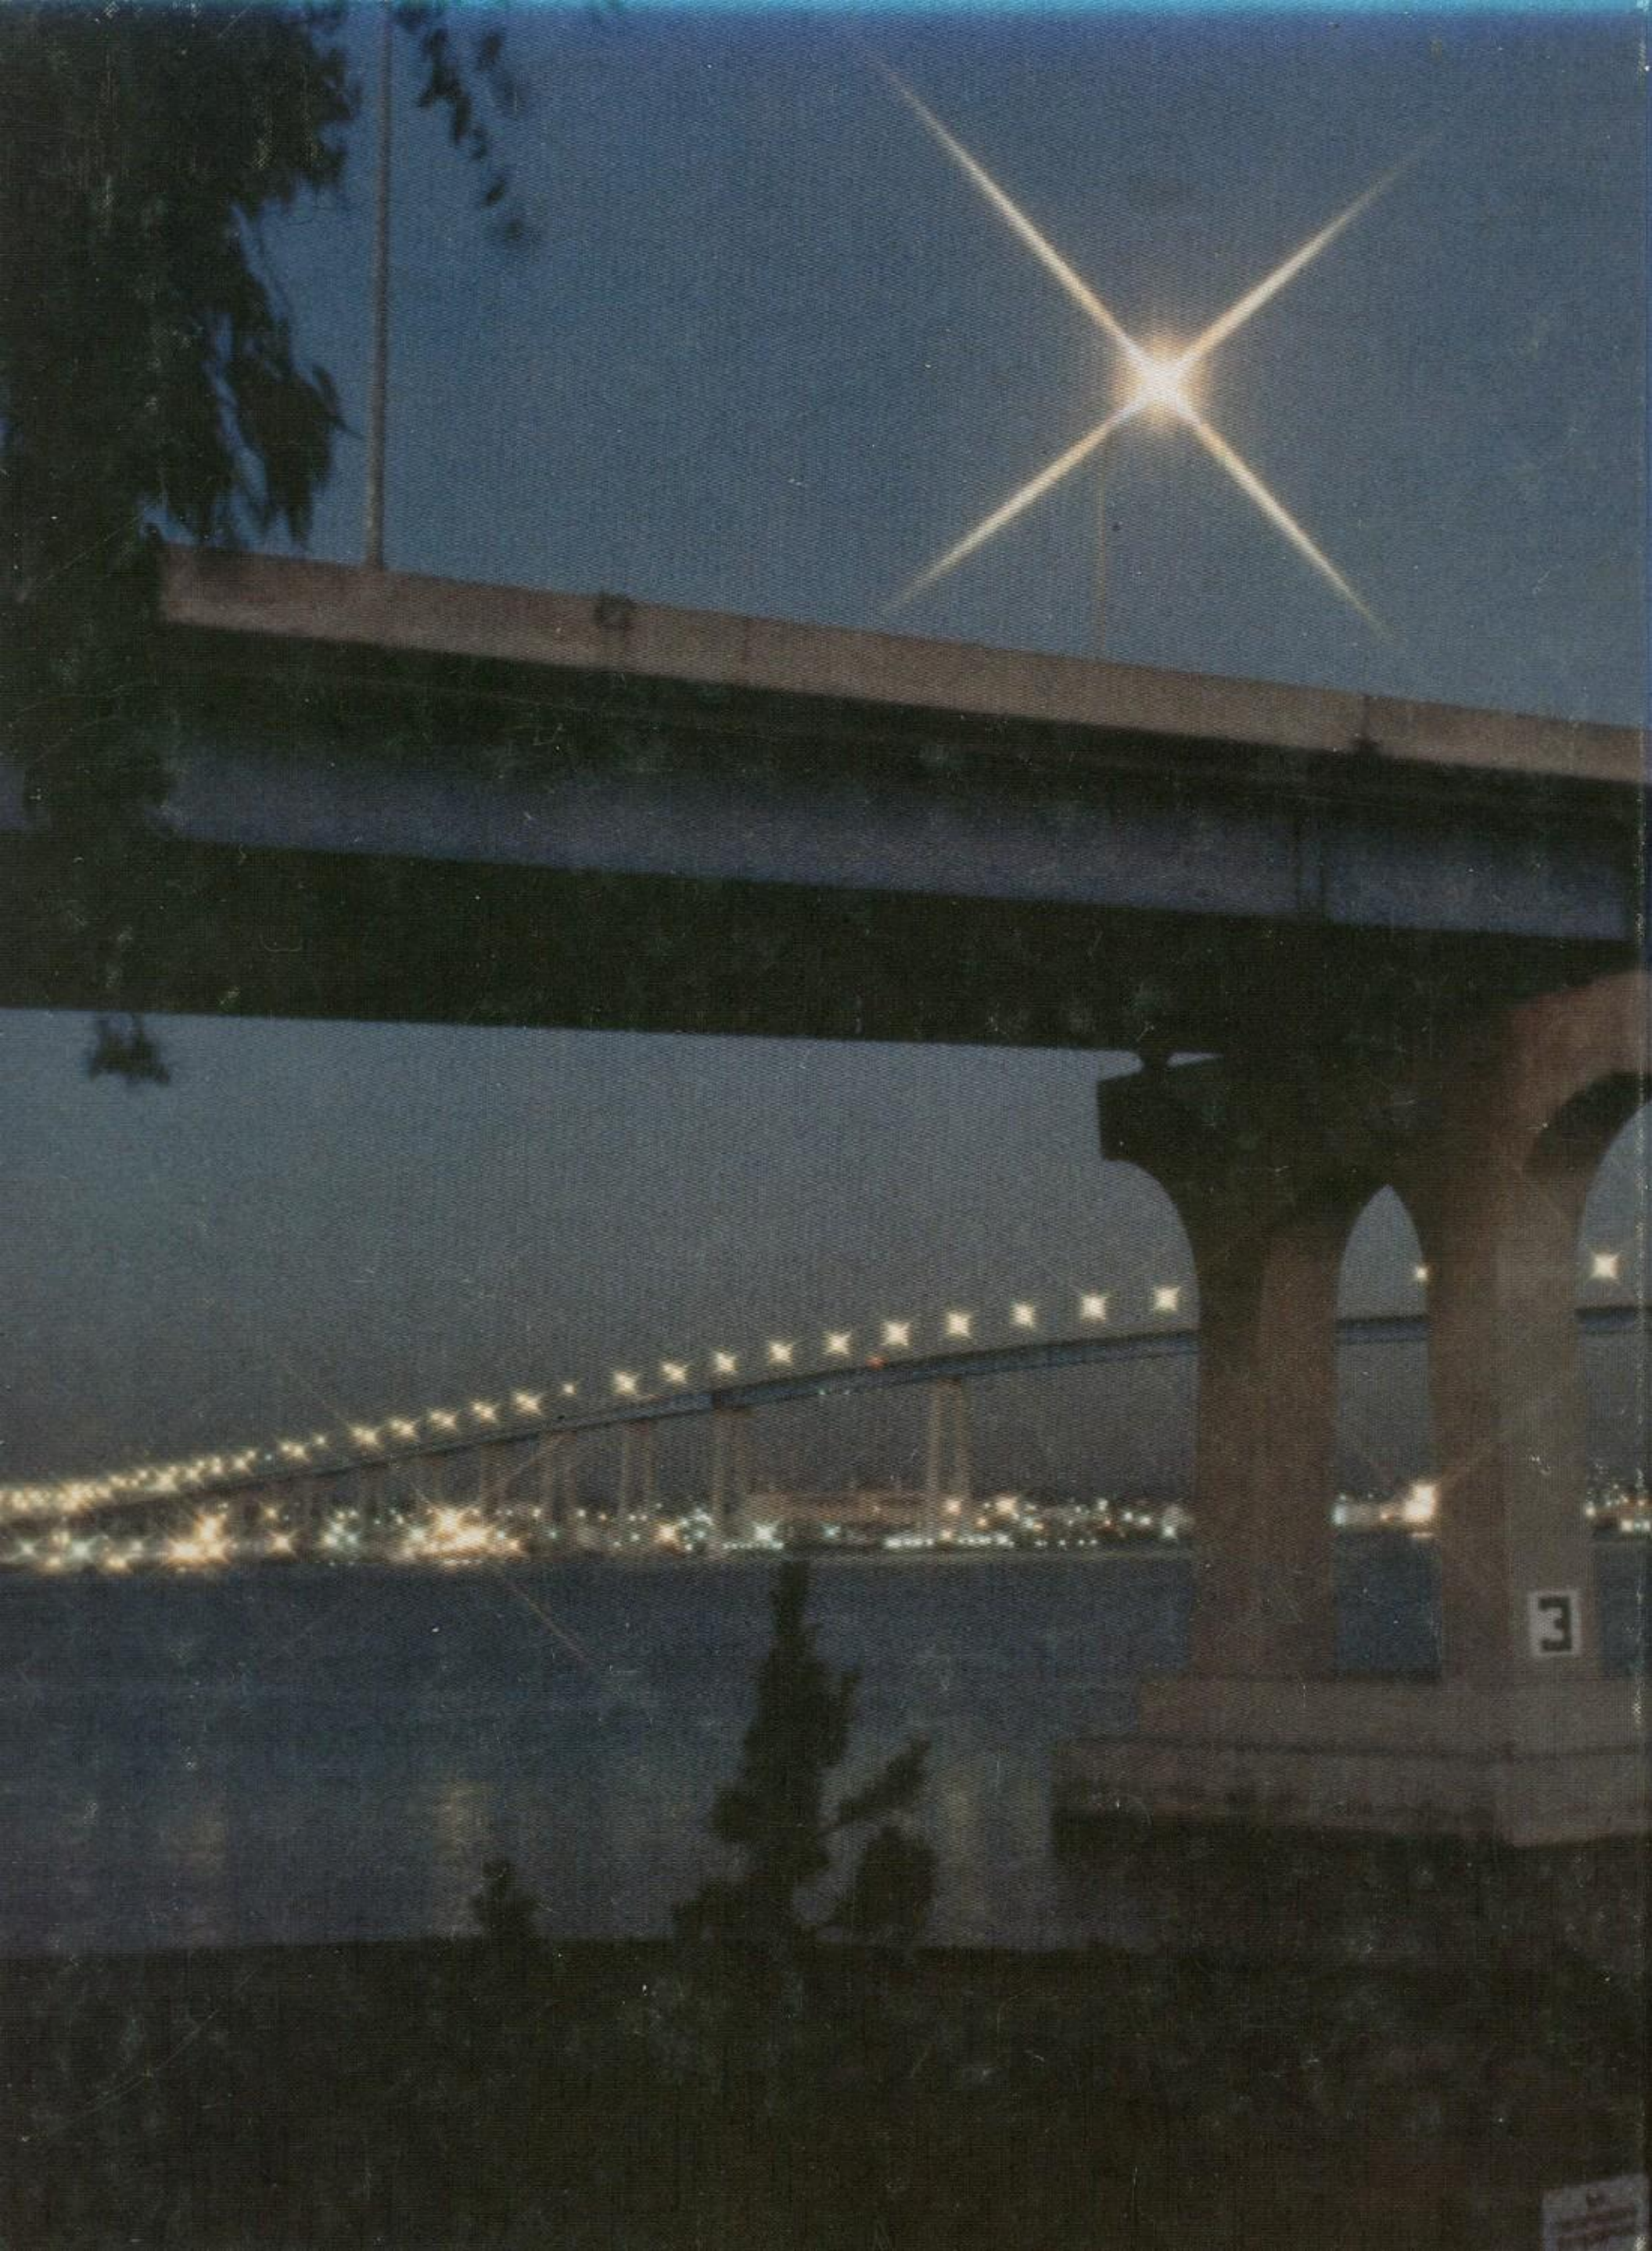

I am really glad I met you this year. You are such a sweet guy and a good friend. I only wish I had met you earlier in the year so we have become better friends. I am so <sup>sorry</sup> I missed all of your parties this year but if and when you have another one let me know. There is only one good thing about this year ending that is knowing that you and Kuss will be back next year to help us through the year. Have a good summer and keep in touch (453-7835)

Love ya always,  
Laura

Tim -

I am really glad we became friends this year. You are adorable. You are a real sweet guy and we have to stay friends for ever and ever. Thanks for inviting me to all your parties, that really made me feel happy knowing that you thought of me. Thanks for helping me with George, he's not my type of guy and I finally found that out. But, thanks anyway for all the things you've done for me. You are a terrific friend. Call me over the summer and anytime because you are my "2nd best friend." Just in case you forgot my phone #, here it is any (453-3319) Call me for some parties etc. Love, Sandy Souza
